Trilithic Welcomes Russ Byrd

Indianapolis, Indiana (Monday, February 13, 2006), We are pleased to welcome Russ Byrd to the Trilithic team in his new position as Director Business Development. Russ is a communications test equipment industry veteran bringing over 20 years of experience from his days with Wavetek, Acterna, and Willtek.

"Trilithic is uniquely positioned to capitalize on the technological convergence taking place in the world" Says Russ "By focusing efforts on the market requirements and having the expertise to address the critical technical hurdles, Trilithic will be able to deliver the new testing solutions required by today's Triple and Quad Play providers"

Terry Bush, President states: "Russ Byrd's understanding of the marketplace and his experience managing new technologies will be invaluable to our business strategies. Trilithic is poised for growth and it's the perfect time to add him to our team. There is no doubt that his experience will be a valuable contribution to our growth."
